With a commitment to making programs and services available to everyone, the YMCA provided nearly \$800,000 in scholarships and program subsidies in 2009 to over 17,000 of our Southeast Minnesota friends and neighbors

We believe that every child deserves the opportunity to experience YMCA programs, regardless of financial difficulties their family might be facing. Through the YMCA Strong Kids Campaign, people just like you come together to make their community stronger. With your help, no person will be denied the benefits of a YMCA membership based on financial limitations.

. We ask that you give generously so that more in our community can share the YMCA experience. Each tax-deductible dollar contributed to the YMCA Strong Kids Campaign goes directly to making YMCA programs and membership available to those in need. It only takes one to make a difference. Be that one.
